Music List

The following is a list of songs from the Big Band Era of the 40's through today's latest music that I have available. This list contains over 800 songs, that came from client requests and songs, which I felt were the most popular from each year. Please highlight any songs you may want me to play at your event. The list can be given back to me on the day of your event. This is not an inclusive list of my available songs. Therefore, if there is a song you would like to hear which is not on this list please feel free to call me to see if I have it available.
